

Endurance Vehicle Protection Ranked #1 Auto Warranty Provider by ExtendedAutoWarranty.com

Endurance, the nation's premier provider of extended vehicle protection - commonly referred to as an extended auto warranty, was named Top Auto Warranty Provider by ExtendedAutoWarranty.com - an independent auto warranty review site.

Chicago, IL ([PRWEB](#)) October 29, 2014 -- Endurance, the nation's premier provider of extended vehicle protection, was recently named as the #1 Extended Coverage Provider by the third-party automotive research website, ExtendedAutoWarranty.com, earning the gold award in excellence. Endurance's products and services were thoroughly reviewed by this consumer vehicle protection website and were deemed to be the best provider industry-wide.

During the review process, all companies underwent an extensive review process and were judged by the following categories: Coverage Details, Company Accreditation, Customer Service, Finance Options, and Plan Benefits. Each of these categories was then broken up into detailed subcategories to give consumers an astute insight on which company is the best one to choose. Endurance received a perfect score of 10 out of 10 and the gold award in excellence.

When asked why he believes his company continuously outranks their competitors, Jordan Batt, Co-Founder of Endurance, stated "We do a lot of things right at Endurance, and I think ExtendedAutoWarranty.com and other review sites are able to pick up on that. We believe that if you put out a product in the market that actually works and back it up with award-winning service, people will realize that you've got something very special on your hands."

This is the fourth gold-award win in a row after Endurance successfully took home the gold awards for Best Extended Coverage Provider by TopTenReviews, Best Customer Service Department of the Year at the 2014 American Business Awards, and Best Website of the Year at last month's Golden Bridge Awards in San Francisco.

A Vehicle Service Contract (VSC) is often referred to as an “extended auto warranty”, but is not a warranty. A VSC does, however, provide repair coverage for your vehicle after the manufacturer’s warranty expires. A VSC is a contract between you and a VSC provider or administrator that states what is a covered repair and what is not. Endurance is an administrator of VSCs and does not sell warranties.
